

BE A PART OF CAMP JCA HISTORY

HELP US COMPLETE OUR JERRY'S PLACE CAMPAIGN- BUY A TILE!!

Please support our Jerry's Place campaign by buying a TILE that will permanently reside in our renewed dining hall. Personalize your own message on a tile which will be displayed for all JCAers and Shalom Institute guests to enjoy. Write a personal message about Camp JCA today, about your JCA memories, about Jerry Ringerman and his impact on Camp JCA, or even simply your family name.

Jerry's Place, the Dining Hall Renewal Project, is dedicated to the memory of Jerry Ringerman, Director of Camp JCA from 1960- 1974. Jerry Ringerman's selfless devotion to Camp JCA at Barton Flats and Malibu became an inspiration to thousands of campers and staffers. To say that Jerry was a "role model" "mentor" and "mensch" to thousands is not enough. He was a unique and gifted man whose true legacy lives on at Camp JCA Shalom and in many other places through the people he guided and the effect they have on others today.
